

---

## Overview

This standard covers the competences you need to select and prepare explosive substances and/or articles for despatch in accordance with approved procedures and practices.

You will be required to demonstrate that you can select the items for despatch in accordance with the order, reporting any problems beyond your level of authority to the appropriate person in storage in accordance with approved procedures.

This activity is likely to be undertaken by someone whose work role involves Weapons, Ordnance, Munitions or Explosives work activities. This includes those working as storage and general explosives operators.

---

## Performance criteria

- You must be able to:*
- P1 work safely at all times, complying with health and safety, environmental and other relevant regulations, legislation and guidelines
  - P2 select the items for despatch in accordance with the order
  - P3 fulfil orders accurately and on time
  - P4 pick and label the order accurately and clearly
  - P5 place the orders in the correct location for despatch
  - P6 report any problems beyond your level of authority to the appropriate person
  - P7 use handling equipment correctly
  - P8 complete the necessary documentation correctly

---

## Knowledge and understanding

*You need to know and understand:*

- K1 the health, safety and environmental and other statutory legislation, regulations and safe working practices and procedures governing explosives and their implications for your area of work
- K2 the relevance of personal protective equipment (PPE)
- K3 the actions to be taken in response to an unplanned event
- K4 the importance of fulfilling orders accurately and on time
- K5 customer requirements
- K6 how to read an order
- K7 whom to tell if you cannot fulfil an order
- K8 where to find the stock
- K9 how to select and assemble an order
- K10 how to update control records and why it is important
- K11 the information and documentation to be included with the order

COGESA7.7

Select and prepare explosive substances and/or articles for despatch
